We're ready to try this again. Several people have expressed an interest in Point Pelee National Park—in place of Pelee Island this year. There's lots to do there for both adults and kids. We can get the B.B.Q.s' going and you can bring whatever you want to cook. Or, you can buy food from the café there. What promises to be lots of fun is the availability of canoes for rental. The small canoes (hold 2 or 3) are \$12 for 1 hour.

Our picnic location has a pavilion, tables and B.B.Q.'s It is on the beach and you can swim there.

If you bring a bike, you can easily go from the Beach to the Boardwalk. You can walk to the Interpretive Centre.
